

Bikefest is a one-day motorcycle festival which takes place in Downtown Bobcaygeon. This scenic town is located on Sturgeon Lake 90 minutes north of Toronto in the beautiful Kawarthas and is one of the main stops for motorcyclists as it possesses many of the most beautiful motorcycle routes in Ontario and is popular with many vacationers.

It has been a great success over the past 9 years, with this being our 10-year Anniversary celebration. Bikefest has been closed for the last 2 years due to COVID but with acquiring new ownership we would like to breathe some life back into the community. Our goal is to increase the attendance by getting more involved with the local businesses and patrons as well by focusing on what we can do to help Charities within the community by giving it a fresh new look with a unique vendor and entertainment platform.

Being its 10<sup>th</sup> year, it has always been one of the most popular summer venues for motorcyclists all over Ontario and the US

and with over 200 + vendors, live music, great food, and contests with an expected 20,000 people in attendance we ask you to join by helping us make a difference by creating this into one of the greatest motorcycle events in Ontario.
